

CUMULATIVE LIST OF REPORTS PREPARED BY
OFFICE OF THE CHIEF ENGINEER, GHQ, USAFPAC
Engineer Intelligence Section

11 June 1945

The following is a cumulative list of reports prepared by the Office of the Chief Engineer, GHQ, USAFPAC. It comprises all publications to date which have been reproduced for distribution, and does not include numerous reports of a research nature used for planning and other purposes, which were not distributed.

Items marked with an asterisk are those for which a limited number of distribution copies are available. Others are available in file copy only at the Engineer Intelligence Library, CCE, GHQ, USAFPAC, when they can be used for reference.

A key to the abbreviations used in the names of the publications is given herewith:

*BAF	- Beach Approach Photography
*EA	- Engineer Annex
EIS	- Engineer Intelligence Studies
Int S	- Intelligence Study
IS	- Industrial Study
WBC	- Landing Beach Conditions
*PA	- Photographic Annex
PTE	- Preliminary Terrain Estimate
SAS	- Spot Area Study
TA	- Terrain Analysis
TE	- Terrain Estimate (for items Tz 1-3 only)
*TE	- Terrain Evaluation

* On 25 Feb. 45 the title "Engineer Annex" was changed to "Terrain Evaluation", and that of "Photographic Annex" to "Beach Approach Photography".
